

# Support KLCS-TV/DT, The Education Station!

**KLCS-TV/DT, The Education Station**, brings you powerful programs that educate, enlighten, and inspire you and your family. Because KLCS is a non-profit public television station, we need your support to continue to provide rich, diverse programming.

**KLCS brings wholesome television into our homes and communities.** A trustworthy source of quality educational and informative programming, KLCS communicates both the academic and life lessons that we work so hard to impart to our children. KLCS's programs teach literacy, mathematics, science, culture, history, and art, while incorporating themes of respect, honor, empathy, diversity, and integrity.

**KLCS makes a positive difference in education.** KLCS enhances classroom learning by providing programs that are interactive, visually stimulating, multi-media based, technologically advanced, and California State Content Standards-based. In addition, KLCS supports educators with services and tools which include workshops, recognitions, lesson plans, teachers' guides, visual aids, web-based resources, and salary-point-credit classes.
